

OMG meets HUSTLABALL

What a sensation! On March 23rd 2013, Vienna's premium gay club OMG SOCIETY will be presenting a special cooperation together with HUSTLABALL Berlin. His trendy event will take place in Vienna, Austria with HUSTLABALL hosting a special area. Besides that the very first official OMG AFTERHOUR will be celebrating premiere. Get ready for a hot March!

HUSTLABALL Berlin could be described, however the unique atmosphere consisting of house-music, sex-appeal and mutual respect someone just needs to see in real. The idea originally developed 1998 in New York as unique party of escort and callboys. In 2003 the event has been taken to Berlin where it is now the biggest HUSTLABALL worldwide. To join HUSTLABALL some guests are actually coming from the other side of the planet traveling to Berlins famous KitKatClub.

For this special event DJ Redtomcat [Resident HUSTLABALL Berlin, Loveparade, Connection] will be coming to Austria for the very first time. He can be well described as pioneer of the German techno scene. Furthermore resident-DJ Tim Anderson [Subliminal Records | timanderson.eu] supported by Ben Foster [Club Fusion, Attems & Friends] will be in charge of the premium club house music.

OMG SOCIETY is known for its special surprises, for example the LOVE ZONE hosted by HUSTLABALL BERLIN. For good reasons the rule of the night will be: No partypics!

For the very first time the official OMG AFTERHOUR will be opening doors – and this event will literally extravagate. From 4am onwards the party people will be able to join this very special afterhour just steps away from Chaya Fuera (the club where OMG SOCIETY will be taking place) at Apollo City Sauna [Wimbergergasse 34, 1070 Vienna].

On Oct 18th 2013 HUSTLABALL Berlin is celebrating its 11th anniversary, as always in the course of the legendary HUSTLABALL-Circuit-Party-Weekend. For this even OMG SOCIETY will be giving away four free entry passes among all visitors of the LOVE ZONE (randomly chosen!).

It's time for a new generation of queer clubs. Prepare for an extreme special of OMG SOCIETY.
